Chlorhexidine Wash Cloths

About Chlorhexidine Wash Cloths

Chlorhexidine provides an invisible antibacterial barrier which continues to kill any harmful bacteria on your skin for many hours. There is a potential risk of infection from any surgery, using the wash cloths give you an extra barrier of protection against infection.

Do not use if you have an allergy to Chlorhexidine.

Do not use near your eyes, mouth or any other body orifice

You may feel a sticky sensation—this is the solution binding to your skin as a barrier protection.

Instructions for Use:

1. Shower or wash body using your usual soap.
2. Dry yourself with a clean towel, do not apply any perfumes or lotions.
3. Warm the packet of wipes in a microwave for up to 20 seconds OR use unheated
4. Use the first wipe over your abdomen
5. Use a second wipe on your thighs.
6. Use a third wipe on your groin areas, avoiding genitalia.
